

Custom Extract Authorization – SiriusXM

Before Dominion DMS will send dealership data to any third-party, we require written authorization from the dealership for each extract requested. Your dealership is enrolled in a program with a third-party that requires a data extract; therefore, please indicate below that you authorize Dominion DMS to share your dealership’s information with this third-party.

Dealership Name: _____

Dealership Contact Person: _____

We request a Custom Extract be programmed to send to **SiriusXM (or its contractor)** based upon their specifications. *SiriusXM has arranged with Dominion DMS for a one-time exemption to relieve the dealership of the fees associated with this specific custom extract.*

Indicate enrollment(s): SiriusXM Pre-Owned Program (Used Inventory/Used Sales)
 SiriusXM Service Lane Program (Service)

Special Instructions: _____

We understand that authorizing this extract will involve the transmission of personal and proprietary information that may include customer details, service details, inventory levels and sales, and/or deal details. By signing below, we authorize Dominion DMS to adapt our Dominion ACCESS software to facilitate the sharing of this information and hereby agree to release Dominion DMS, its affiliates, and its and their officers, and employees, from all claims and damages that may result from the transfer of data hereby authorized.
